

MEMORANDUM
COMMUNITY DEVELOPMENT/RESOURCE AGENCY
ENGINEERING & SURVEYING DIVISION
County of Placer

TO: Honorable Board of Supervisors
FROM: Michael Johnson, AICP
Agency Director
BY: Leslie Amsberry, County Surveyor
SUBJECT: Amendments to Chapter 16 of the Placer County Code Regarding Tentative Map Extensions

ACTION REQUESTED

1. Adopt an Ordinance, introduced on May 3, 2016, amending Placer County Code Chapter 16, Article 16.12, Section 16.12.120(C) and Article 16.20, Section 16.20.060(B)(1) related to Tentative Map Term Extensions.
2. Determine the Ordinance is exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15061(b)(3).

BACKGROUND

On May 3, 2016, the Board introduced an Ordinance to amend County Code sections 16.12.120(C) and 16.20.060(B)(1) to authorize extensions of the terms of qualifying tentative maps in two-year increments not to exceed six years. The Community Development Resource Agency is proposing changes to County Code relating to extensions of time for Tentative Maps to align County Code with State law.

The California Government Code regulating divisions of land is known as the Subdivision Map Act (the Map Act). Under Map Act Sections 66452.6(e) and 66463.5(c), upon receipt of an application for an Extension of Time filed prior to the expiration of the approved or conditionally-approved tentative map, the time at which the map expires may be extended by the legislative body or advisory agency for a period or periods not exceeding a total of six years.

ENVIRONMENTAL IMPACT

The proposed Ordinance is exempt pursuant to CEQA Guidelines Section 15061 (b) (3). Any applications for extensions will be separately reviewed pursuant to CEQA. The present proposed Ordinance aligns County Code with State law with respect to extensions of the originally approved map and does not create in itself a new entitlement. As a result, it can be seen with certainty that there is no possibility that the proposed ordinance may have a significant effect on the environment.

FISCAL IMPACT

There is no fiscal impact as a result of this action. Applications for extensions of maps will be subject to payment of standard processing fees.
